

SEAFOOD

Fresh & Frozen Supplier

Ayamo is a trading company established in 2011 with the purpose of making a difference for all those who are directly or indirectly involved in the food and animal protein industry.

Since then, we have diversified our portfolio, expanded into new territories, and developed our supply to meet the demands of international markets.

Our specialized team provides with excellence all the necessary support for exporting meat, fish, meals and oils to all continents.

Ayamo's business culture is based on trust, relationship, love and commitment, always working with integrity and transparency in all our interactions.

And so together...

Sharing ACHIEVEMENTS

ayamo
GLOBAL FOOD

DIVISION **SEAFOOD**

We are blessed with a rich diversity of aquatic ecosystems. This natural wealth is reflected in our seafood portfolio, which captures the essence of the waters and brings unique characteristics.

Our extensive knowledge of the seafood market, combined with partnerships established with fishermen and suppliers, can enrich your business.

Ayamo Foods provides a wide range of Seafood from certified producers around the world. With a strict quality control and accurate logistic, we are your best choice on Seafood solutions.

From exotics fishes from Amazon region to wild caught seafood of pristine waters of the South Atlantic, Ayamo supplies both whole round products for wholesale and processed seafood for retail markets.
